SPIN Person to Person (P2P) Payment System

We are excited to launch **CenterBank's new Person to Person (P2P) Payment system, SPIN**. SPIN allows you to **send money** from your CenterBank consumer account to another person (regardless of where they bank). This service can be found within your CenterBank online banking dashboard/mobile banking app for use.

Highlights of CenterBank's SPIN (P2P):

- **Completely FREE service** offered to you within your CenterBank Online and Mobile Banking account
- Person you're paying **receives funds instantly and directly into their bank account** (versus having to wait days and/or take steps to retrieve money from a third-party app or service)
- **Service is 24/7** and receiver can access funds in their account even outside of normal banking hours
- **All transactions are secured** within the safeguards of your CenterBank online/mobile banking account
- Funds are transferred using your debit card account – **SPIN requires the receiver to have a US Based Mastercard or Visa Debit Card**
- **All account numbers are kept secure and confidential** and neither you or the receiver see each other's account information
